

Ranger Family Connection

SUPPORTING NORTHWOOD SCHOOL DISTRICT FAMILIES RIGHT FROM THE START

Parent Advocate Supports Parents

- Build strong parent/child relationships and bond with child
- Build knowledge of basic infant and toddler development
- Build positive parenting practices
- Connect to community resources
- Reduce stress in the home
- Find fun things to do with infants, toddlers, and preschoolers that supports imagination, literacy, and social and emotional skills

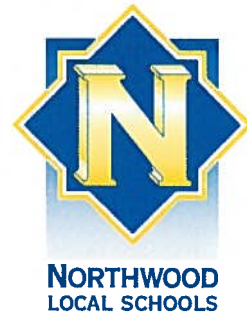

FREE WELCOME GIFT FOR PARTICIPATING FAMILIES

Home-visiting program serves pregnant families and their children ages 0- 6 years. Our parent advocate works closely with families in their home or neutral setting, supporting family goals and needs.

Monthly parenting groups focus on topics such as child development, understanding difficult behaviors, dealing with stress, and effective parenting strategies. Caregivers also have time to bond with peers who may be going through the same challenges.

Eligibility: Families who reside in or attend Northwood Schools
