Re: 2017 City of Northwood Farmers Market

July 27, 2017

Dear Interest Vendor,

I am writing to invite you to join our first Farmers Market event in The City of Northwood. The Farmers Market will take place on Mondays from 4:00 p.m. – 7:00 p.m., beginning August 21, 2017 to September 25, 2017. The enclosed application for the Farmers Market is intended to help maintain a vibrant, safe and high-quality market that complies with the Ohio Department of Agriculture policies. We encourage you to complete this application to give us an idea of the products that you wish to sell and what your attendance might be for this season. By signing and submitting your application and reading through the rules & regulations, you agree to be bound by the terms in regards to Vendor guidelines.

Please note that we are not a resale market. The fees for the 2017 season (August-September) will be waived. The areas will be a first come, first serve basis with priority given to vendors selling produce at the Northwood Commons, formerly Great Eastern Shopping Center parking lot, but are subject to change for our next season. At this time, we do not have any electricity at this location and ask that you plan accordingly.

We desire to have the best Farmers Market possible for both our vendors and our consumers, anticipating attraction from local customers as well as visitors from surrounding counties. We are very excited and thank you in advance for your cooperation and support.

No Fee for Vendors in 2017!

PLEASE R.S.V.P. FOR YOUR SPOT BY AUGUST 15TH 2017.

Best regards,

Kelley Amstutz- Executive Administrative Assistant for the City of Northwood
